Produced by the United States Geological Survey

Topography compiled 1961. Planimetry derived from imagery taken 1990 and other sources. Photoinspected using imagery dated 1999; no major culture or drainage changes observed. PLSS and survey control current as of 1962. Boundaries, other than corporate, verified 2000

North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: Louisiana coordinate system, south zone (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid, zone 15

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software

All or part of this quadrangle lies within a subsidence area

Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours
