

Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, and Louisiana Geodetic Survey

Topography by photogrammetric methods from aerial photographs taken 1970. Field checked 1971

Polyconic projection. 1927 North American datum 10,000-foot grid based on Louisiana coordinate system, north zone 1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

To place on the predicted North American Datum 1983, move the projection lines 16 meters south and 14 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Map photoinspected 1978

No major culture or drainage changes observed

Blue hatching indicates areas to be submerged by Kincaid Reservoir and Lake Rodemacher

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
