Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, and Louisiana Department of Highways

Planimetry by photogrammetric methods from aerial photographs taken 1974. Topography by planetable surveys 1975

Selected hydrographic data compiled from NOS/NOAA Chart 11349 (1976)
This information is not intended for navigational purposes

Projection and 10,000-foot grid ticks: Louisiana coordinate system, south zone (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid, zone 15
1927 North American datum

Dotted land lines established by private survey

All or part of this quadrangle lies within a subsidence area

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
