

Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Orthophotomap prepared from high-altitude aerial photographs taken October 24, 1971. Topography by planetable surveys 1971. Supersedes planimetric map dated 1935.

Selected hydrographic data compiled from USC&GS Chart 1272 (1969). This information is not intended for navigational purposes.

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Louisiana coordinate system, south zone. 1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue.

All or part of this quadrangle lies within a subsidence area. Where omitted, land lines have not been established or are not shown because of insufficient data.
