Produced by the United States Geological Survey
Compiled from USGS 1:24 000-scale topographic maps dated 1955-1984. Planimetry revised from aerial photographs taken 1983 and other source data. Revised information not field checked. Map edited 1986.
Projection and 10 000-meter grid, zone 15 Universal Transverse Mercator. 25 000-foot grid ticks based on Louisiana coordinate system, south zone and Texas coordinate system, central zone 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 19 meters south and 17 meters east. There may be private inholdings within the boundaries of the National or State reservations shown on this map.
