Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, and USCE

Topography by photogrammetric methods from aerial photographs taken 1963. Field checked 1964–65

Polyconic projection. 1927 North American datum
10,000-foot grid based on Mississippi coordinate system, east zone
To place on the predicted North American Datum 1983
move the projection lines 8 meters south and
4 meters east as shown by dashed corner ticks
1000-meter Universal Transverse Mercator grid ticks,
zone 16, shown in blue

Revisions shown in purple compiled from aerial photographs taken 1977. Map edited 1979. This information not field checked
