

Maped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin.

Control by USGS and USC&GS

Topography from aerial photographs by Kelsh plotter methods. Aerial photographs taken 1950. Field check 1953.

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Wyoming coordinate system, west central zone.

Dashed land lines indicate approximate locations.

Certain land lines are omitted in T. 31 N.-R. 100 W. because of insufficient data.

1000-meter Universal Transverse Mercator grid ticks, zone 12, shown in blue.
