HAY MEADOW RESERVOIR QUADRANGLE
WYOMING
7.5 MINUTE SERIES (TOPOGRAPHIC)
SE/4 PARTING OF THE WAYS IS QUADRANGLE

Mapped, edited, and published by the Geological Survey
as part of the Department of the Interior program
for the development of the Missouri River Basin
Control by USGS and NOS/NOAA
Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1956. Field check 1958
Polyconic projection. 1927 North American datum
10,000-foot grid based on Wyoming coordinate system,
west and west central zones
1000-meter Universal Transverse Mercator grid ticks,
zone 12, shown in blue
Dashed land lines indicate approximate locations
To place on the predicted North American Datum 1983 field checked. Map edited 1980
move the projection lines 9 meters north and
57 meters east as shown by dashed corner ticks

Revisions shown in purple compiled from aerial photographs
taken 1977 and other source data. This information not
for sale by U. S. Geological Survey, Denver, Colorado 80225, or Reston, Virginia 22092
A folder describing topographic maps and symbols is available on request
