

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin.

Control by USGS and USC&GS

Topography from aerial photographs by photogrammetric methods. Aerial photographs taken 1952 and 1956. Field check 1958.

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Wyoming coordinate system, east central zone.

1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.

Dashed land lines indicate approximate locations. Certain land lines omitted in T. 18 N.-R. 79 W. because of insufficient data. All recovered corners are shown.
