

This is a detailed topographic map of the Wind River Indian Reservation and surrounding areas in Wyoming. The map features a grid system with coordinates ranging from 108° 00' W to 109° 00' W and 43° 00' N to 44° 00' N. Key geographical features include the Wind River, Owl Creek, and various mountain ranges like the Owl Mountains and Wind River Mountains. The map also shows the town of Thermopole and the Hot Springs area. The terrain is depicted with contour lines and color shading, indicating elevation and land cover. The map is labeled with various geographical names and coordinates, providing a comprehensive view of the region.
