

This is a detailed topographic map of Kyle, South Dakota, and the surrounding region. The map features a grid system with latitude and longitude coordinates. Key geographical features include the Kyle River, which flows through the center of the town, and several creeks such as Potato Creek, Mud Creek, and Flesch Creek. The town of Kyle is marked with a cluster of buildings and a central area labeled 'Kyle'. Other notable locations include St. Bernards Church, Little Woods Sch., and a sewage disposal pond. The map also shows various roads, including a major highway (likely I-90) running horizontally across the middle, and several smaller roads and trails. Elevation is indicated by contour lines, with higher elevations shown in green and lower elevations in brown. The map is titled 'KYLE, SOUTH DAKOTA' in the top left corner and '7.5X15 MINUTE SERIES (TOPOGRAPHIC)' in the top right corner. The bottom of the map includes a scale bar and a north arrow.

This is a detailed topographic map of the Kyle, South Dakota area. The map features a grid system with latitude and longitude coordinates. Key geographical features include the Kyle River, Kyle Creek, and the Kyle Reservoir. The town of Kyle is marked with a black dot and labeled. Other landmarks include the Kyle Reservoir, Kyle Creek, and the Kyle River. The map also shows various roads, including Highway 16, and several small settlements or landmarks like Kyle, Kyle Creek, and Kyle Reservoir. The map is titled 'KYLE, SOUTH DAKOTA' and includes a scale bar indicating distances in miles and kilometers. The map is a 7.5x15 minute series (topographic).

Primary highway, hard surface
Secondary highway, hard surface
Light-duty road, hard or improved surface
Unimproved road, trail
Route marker: Interstate; U. S. State
Roadside: standard gaps; narrow gap
Bridge; drawbridge
Footbridge; overpass; underpass
Bus-stop area: only extended landmarks shown
House; barn; church; school; large structure
Boundary
National, with monument
State
County, parish
Civil township; precinct; district
Incorporated city, village, town
National or State reservation; small park
Land grant with monument; found section corner
U. S. public lands survey: range, township; section
Fence or field line
Power transmission line, isolated tower
Dam; dam with lock
Cemetery: grave
Grave: simple and grave and grave
Monument; water well; spring
Mine shaft; prospect; adit or cave
Contour: horizontal station; vertical station; spot elevation
Contour: index; intermediate; supplementary; depression
Contour: water; river; lake; pond
Bathymetric contours; index, intermediate
Perennial lake and stream; intermittent lake and stream
Rivers, large and small; falls, large and small
Swamp; marsh
Wetland: marsh; land subject to controlled inundation
Woodland; scattered trees
Scrub; mangrove
Orchard; vineyard
