Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Planimetry in part by photogrammetric methods by U. S. Corps of Engineers and Geological Survey from aerial photographs taken 1951
Topography by planetable surveys 1952–1953

Polyconic projection. 10,000-foot grid ticks based on Florida coordinate system, east zone. 1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 31 meters south and 21 meters west as shown by dashed corner ticks

Revisions shown in purple and woodland compiled in cooperation with State of Florida agencies from aerial photographs taken 1980 and other sources. This information not field checked. Map edited 1983
