Planimetry revised from aerial photographs taken 1977 and other source data. Revised information not field checked. Map edited 1979
Projection and 10 000-meter grid, zone 17, Universal Transverse Mercator
25 000-foot grid ticks based on Florida coordinate system, west zone
1927 North American Datum
To place on the projected North American Datum 1983 move the projection line 30 meters south and 16 meters west
