Mapped by U. S. Corps of Engineers
Edited and published by the Geological Survey

Control by USC&GS and USCE

Culture and drainage in part compiled from aerial photographs taken 1950. Topography by plane-table surveys 1950–1951
Field check by the Geological Survey 1953

Polyconic projection
10,000-foot grid based on Florida coordinate system, east zone
1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue. 1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 28 meters south and 19 meters west as shown by dashed corner ticks

Red tint indicates areas in which only landmark buildings are shown

Dashed land lines indicate approximate locations

Purple tint indicates extension of urban areas
