

Mapped, edited, and published by the Geological Survey
Control by USGS, USC&GS, USCE, and Florida Geodetic Survey
Topography by photogrammetric methods from aerial photographs
taken October, November, and December 1969. Field checked 1970
Projection and 10,000-foot grid ticks: Florida coordinate
system, west zone (transverse Mercator)
1000-meter Universal Transverse Mercator grid ticks,
zone 17, shown in blue. 1927 North American Datum
To place on the predicted North American Datum 1983
move the projection lines 26 meters south and
17 meters west as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where
generally visible on aerial photographs. This information is unchecked

There may be private inholdings within the boundaries of
the National or State reservations shown on this map

Revisions shown in purple compiled from aerial photographs
taken 1977 and other source data. This information not
field checked. Map edited 1980

Map photosinspected 1984
No major culture or drainage changes observed
