Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Orthophotomap by photogrammetric methods from aerial photographs taken February 7, 1980. Topography by planetable surveys 1970

Polyconic projection. 10,000-foot grid ticks based on Florida coordinate system, east zone
1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue
1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 34 meters south and 22 meters west and shown by dashed corner ticks

Dotted land lines established by private survey

There may be private inholdings within the boundaries of the National or State reservations shown on this map
