

Produced by the United States Geological Survey
and National Ocean Survey
Control by USGS and NOS/NOAA

Orthophotomaps prepared from aerial photographs taken
January 10, 1976. Compiled by photogrammetric methods
from aerial photographs taken January 1975.
Field checked 1976. Map edited 1982. Supersedes
topographic map edited 1965.

Bathymetry compiled by the National Ocean Survey from
tide-coordinated hydrographic surveys.
This information is not intended for navigational purposes.
Mean low water (dotted) line and mean high water (solid) line
compiled by NOS from tide-coordinated aerial photographs.
Apparent shoreline (outer edge of vegetation) shown
by photomicroscopy.

Projection and 10,000-foot grid ticks: Florida coordinate
system, north zone (Lambert conformal conic).
1000-meter Universal Transverse Mercator grid, zone 16
1927 North American Datum.
The difference between 1927 North American Datum and North American
Datum of 1983 (NAD 83) for 7.5-minute intersections is given in USGS
Bulletin 1875. The NAD 83 is shown by dashed corner ticks.

There may be private inholdings within the boundaries of
the National or State reservations shown on this map.
Information on private subdivision (dotted lines) of
Forbes Purchase supplied by State of Florida.
