Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS,

Planimetry by photogrammetric methods from aerial photographs taken 1941. Topography by planeable surveys 1944 and 1945 Revised from aerial photographs taken 1971. Field checked 1972

Projection and 10,000-foot grid ticks: Massachusetts coordinate system, mainland zone (Lambert conformal conic) 1000-meter Universal Transverse Mercator grid ticks, zone 18, shown in blue. 1927 North American datum

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Area covered by dashed light-blue pattern is subject to controlled inundation
