

AMS V814  
Edition 1-AMS

Prepared by the Army Map Service (GE), Corps of Engineers, U. S. Army, Washington, D. C. Copied in 1954 from Massachusetts, 1:31,680, USGS, Becket, 1948. Original map compiled by U. S. Geological Survey 1944-45. Horizontal and vertical control by USCGS, USGS, Massachusetts Geodetic Survey and Massachusetts Harbor and Land Commission.

LEGEND  
ROAD DATA 1947

|                                                                                |                                         |
|--------------------------------------------------------------------------------|-----------------------------------------|
| Hard surface, heavy duty road, more than two lanes wide                        | Loose surface, graded, dry weather road |
| Hard surface, heavy duty road, two lanes wide; Federal route marker            | Unimproved dirt road; Trail             |
| Hard surface, medium duty all weather road, two lanes wide; State route marker | Railroad in street; Carline in street   |
| RAILROADS                                                                      | UNDER CONSTRUCTION                      |
| Standard gauge                                                                 | Single track                            |
| Double track                                                                   | Double track                            |
| Narrow gauge                                                                   | Single track                            |
| Double track                                                                   | Double track                            |
| ABANDONED                                                                      | ABANDONED                               |
| Single track                                                                   | Single track                            |
| Double track                                                                   | Double track                            |
| BOUNDARIES                                                                     | BOUNDARIES                              |
| International                                                                  | Spot elevation, feet                    |
| State                                                                          | Horizontal control pt.                  |
| County (with monument)                                                         | Bench mark                              |
| County subdivision                                                             | School                                  |
| Reservation                                                                    | Church                                  |
| Military reservation                                                           | Mine                                    |
| Cemetery                                                                       | Woods or brushwood                      |
| Churchyard                                                                     | Orchard                                 |
|                                                                                | Vineyard                                |
|                                                                                | Man-made shoreline                      |
|                                                                                | Intermittent lake                       |
|                                                                                | Intermittent stream                     |
|                                                                                | Dam                                     |
|                                                                                | Rapids; Falls                           |
|                                                                                | Large rapids and falls                  |
|                                                                                | Swamp, marsh                            |
|                                                                                | Rocks awash at low tide                 |
|                                                                                | Wharf, pier                             |

Scale 1:25,000

CONTOUR INTERVAL 10 FEET  
VERTICAL DATUM: SEA LEVEL DATUM OF 1929  
TRANSVERSE MERCATOR PROJECTION  
HORIZONTAL DATUM: 1927 NORTH AMERICAN DATUM

BLACK NUMBERED LINES INDICATE THE 1,000 METER UNIVERSAL TRANSVERSE MERCATOR GRID, ZONE 18  
THE LAST THREE DIGITS OF THE GRID NUMBERS ARE OMITTED
