

This is a detailed topographic map of a region in Alaska, centered around the Theodore River. The map features a grid system with latitude and longitude coordinates. Key geographical features include:

- Beluga Mountain:** A prominent peak on the left side of the map, with contour lines indicating its elevation.
- Alexander Lake:** A large lake in the upper right quadrant.
- Rabbit Lake:** A smaller lake located near the center of the map.
- Sucker Lake:** Another lake situated in the lower right area.
- Theodore River:** A major river flowing through the lower portion of the map.
- Other Features:** Various creeks (e.g., Bear Creek, Sucker Creek), landing strips, and smaller lakes (e.g., Wolf Lake, Iron Lake) are also depicted.

The map uses a color-coded system to represent different elevations and terrain types, with brown contour lines for elevation and blue for water bodies. A grid of latitude and longitude lines is overlaid on the map, with coordinates ranging from 151°07'30" to 150°45' and 61°07'30" to 61°00'.

SCALE 1:63 360

The graphic scale consists of two horizontal bars. The top bar is labeled 'MILES' and has major tick marks at 1, 2, and 3. The bottom bar is labeled 'FEET' and has major tick marks at 1, 2, 3, 4, and 5. Both bars have smaller tick marks indicating intermediate units (tenths for miles, hundredths for feet).
