

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and USCGS. Topography from aerial photographs by multiplex methods. Aerial photographs taken 1952. Field check 1956. Polyconic projection. 1927 North American datum. 10,000-foot grid based on Colorado coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue. Dashed land lines indicate approximate locations. Certain land lines are omitted in T. 5 N., R. 79 and 80 W. because of insufficient data. Unchecked elevations are shown in brown.
