

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and USC&GS. Topography from aerial photographs by photogrammetric methods. Aerial photographs taken 1953. Field check 1957. Polyconic projection, 1927 North American datum. 10,000-foot grid based on Colorado coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue. Dashed land lines indicate approximate locations. All land lines are omitted except in part of T. 6 N. R. 77 W. because of insufficient data. Unchecked elevations are shown in brown.
