

1:100 000-scale metric topographic map of

# Burlington

COLORADO-KANSAS

30 X 60 MINUTE QUADRANGLE SHOWING

- Contours and elevations in meters
- Highways, roads and other manmade structures
- Water features
- Woodland areas
- Geographic names

GEOLOGICAL SURVEY

1981

Produced by the United States Geological Survey in cooperation with the Bureau of Land Management

Compiled from USGS 1:100 000-scale topographic maps dated 1969-1980. Partially revised from aerial photographs taken 1980 and other source data. Revised information not field checked. Map edited 1981.

Projection and 10 000-meter grid, zone 13 Universal Transverse Mercator

25 000-foot grid ticks based on Colorado coordinate system, central zone and Kansas coordinate system, north zone

1927 North American datum

To place on the predicted North American Datum 1983 move the projection lines 4 meters north and 41 meters east

Land lines are based on cultural development and are not reflected in the original land survey

Certain land lines are omitted because of insufficient data

There may be private inholdings within the boundaries of the National or State reservations shown on this map

CONTOUR INTERVAL 10 METERS

THIS MAP COMPLIES WITH NATIONAL MAP ACCURACY STANDARDS

| CONVERSION TABLE |         | DECLINATION DIAGRAM | ADJOINING MAPS |   |   |
|------------------|---------|---------------------|----------------|---|---|
| Meters           | Feet    |                     | 1              | 2 | 3 |
| 1                | 3.2808  |                     | 4              | 5 | 6 |
| 2                | 6.5617  |                     | 7              | 8 | 9 |
| 3                | 9.8425  |                     |                |   |   |
| 4                | 13.1232 |                     |                |   |   |
| 5                | 16.4040 |                     |                |   |   |
| 6                | 19.6848 |                     |                |   |   |
| 7                | 22.9656 |                     |                |   |   |
| 8                | 26.2464 |                     |                |   |   |
| 9                | 29.5272 |                     |                |   |   |
| 10               | 32.8080 |                     |                |   |   |

To convert meters to feet multiply by 3.2808

To convert feet to meters multiply by 0.3048

UTM grid convergence (GN and 1981 magnetic declination) at center of map. Diagram is approximate.

## Topographic Map Symbols

|                                                             |  |
|-------------------------------------------------------------|--|
| Primary highway, hard surface                               |  |
| Secondary highway, hard surface                             |  |
| Light duty road, principal street, hard or improved surface |  |
| Other road or street, trail                                 |  |
| Route marker: Interstate, U. S. State                       |  |
| Railroad: standard gage; narrow gage                        |  |
| Bridge: overpass; underpass                                 |  |
| Tunnel: road; railroad                                      |  |
| Built up area, locality, elevation                          |  |
| Airport; landing field; landing strip                       |  |
| National boundary                                           |  |
| State boundary                                              |  |
| County boundary                                             |  |
| National or State reservation boundary                      |  |
| Land grant boundary                                         |  |
| U. S. public lands survey: range, township, section         |  |
| Range, township, section line: protracted                   |  |
| Power transmission line; pipeline                           |  |
| Dam; dam with lock                                          |  |
| Cemetery; building                                          |  |
| Windmill; water well; spring                                |  |
| Mine shaft; adit or cave; mine, quarry; gravel pit          |  |
| Campground; picnic area; U. S. location monument            |  |
| Relic, old building                                         |  |
| Discarded surface: arid mine, lava; sand                    |  |
| Contours: index; intermediate; supplementary                |  |
| Bathymetric contours: index; intermediate                   |  |
| Stream, lake, perennial; intermittent                       |  |
| Rapids, ledge and weir, falls, large and small              |  |
| Area to be submerged; marsh, water                          |  |
| Land subject to controlled inundation; woodland             |  |
| Scrub; mangrove                                             |  |
| Orchard; vineyard                                           |  |
