Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1956. Field checked 1961.

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Colorado coordinate system, central zone 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.

Fine red dashed lines indicate selected fence lines.

Where omitted, land lines have not been established or are not shown because of insufficient data.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.

Revisions shown in purple compiled from aerial photographs taken 1976 and other source data. This information not field checked. Map edited 1978.
