

Maped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin.

Control by USGS and USC&GS

Topography from aerial photographs by multiplex methods

Aerial photographs taken 1953. Field check 1956

Polyconic projection. 1927 North American datum

10,000-foot grid based on Colorado coordinate system, central zone

1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue

Dashed land lines indicate approximate locations

Land lines are omitted in T.9S.-R.73W. because of insufficient data

Unchecked elevations are shown in brown

There may be private inholdings within the boundaries of the National or State reservations shown on this map

To place on the predicted North American Datum 1983 move the projection lines 4 meters north and 49 meters east as shown by dashed corner ticks
