Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1956 and 1958. Field checked 1960

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Colorado coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.

Red tint indicates area in which only landmark buildings are shown. Revisions shown in purple compiled from aerial photographs taken 1969. This information not field checked.

Purple tint indicates extension of urban areas.
