NOTE:

This map is now being prepared for final publication. One of these advance prints may be used to submit your comments and suggestions. Of special interest are comments concerning factual errors relating to spelling and application of names, and they should be accompanied by supporting evidence concerning local usage, spelling, name origin, etc. Changes in cultural detail which have occurred since the field check cannot be incorporated in this edition. Please sign and return your marked copy within 10 days. If no comments, both copies may be retained for your use. Additional prints of this map are available at $1.25 each.
