

Maped, edited, and published by the Geological Survey
Revised in cooperation with California Department of Water Resources
Control by USGS, USC&GS, and Los Angeles County
Topography by photogrammetric methods from aerial photographs taken 1952 and planetable surveys 1933. Field checked 1954. Revised from aerial photographs taken 1966. Field checked 1967
Polyconic projection. 1927 North American datum
10,000-foot grids based on California coordinate system, zones 7 and 5
1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue
To place on the predicted North American Datum 1983, move the projection lines 2 meters north and 84 meters east as shown by dashed corner ticks
Red tint indicates areas in which only landmark buildings are shown
Certain land lines are omitted because of insufficient data
Areas covered by dashed light-blue pattern are subject to controlled inundation
There may be private inholdings within the boundaries of the National or State reservations shown on this map
