This is a detailed topographic map of the San Bernardino National Forest area. The map is oriented with North at the top. The title "SAN BERNARDINO NATIONAL FOREST" is prominently displayed in the center. The map shows the San Gabriel Mountains, San Bernardino Mountains, and San Jacinto Mountains. Contour lines are used to represent elevation, with major contours every 100 feet. The map includes various geographical features such as rivers, creeks, and canyons. The San Gabriel River is shown flowing through the center of the map. The San Bernardino Mountains are located to the north and east of the river. The San Jacinto Mountains are located to the south and west of the river. The map also shows several towns and cities, including San Bernardino, Redlands, and Fontana. The map is divided into sections by latitude and longitude lines. The latitude lines are labeled from 36° 30' N to 36° 00' N. The longitude lines are labeled from 116° 30' W to 116° 00' W. The map is a detailed representation of the terrain and features of the San Bernardino National Forest area.
