Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Mapped 1912, remapped 1952

Culture and drainage by multiplex methods
from aerial photographs taken 1949
Topography by plane-table surveys 1952

Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 3

Dashed land lines indicate approximate locations
Dotted land lines were established by private survey

Red tint indicates area in which only landmark buildings are shown
