R.B. Marshall, Chief Geographer.
Sledge Tatum, Geographer in charge.
Topography B.A. Jenkins and C.A. Ecklund,
and Cornelius Schum.
Surveyed in 1912-1915.

Due to the small percentage of corners recovered,
land lines are not reconciled to the topography
except in certain areas. In the vicinity of T. 5 N.,
R. 75 and 76 W., lines are known to be erroneously
placed.
