

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs
taken 1979. Field checked 1981. Map edited 1983
Hydrography compiled from information furnished by
Wisconsin Department of Natural Resources
Projection: Wisconsin coordinate system, north zone
(Lambert conformal conic)
10,000-foot grid ticks based on Wisconsin coordinate
system, north zone and Minnesota coordinate system, central zone
1000-meter Universal Transverse Mercator grid, zone 15
1927 North American Datum
To place on the predicted North American Datum 1983
move the projection lines 8 meters north and
14 meters east as shown by dashed corner ticks
There may be private inholdings within the boundaries of
the National or State reservations shown on this map
Fine red dashed lines indicate selected fence and field lines where
generally visible on aerial photographs
This information is unchecked
