

Maped, edited, and published by the Geological Survey in cooperation with the Wisconsin Highway Commission and Wisconsin Geological and Natural History Survey. Control by USGS and USC&GS.

Topography by photogrammetric methods from aerial photographs taken 1966. Field checked 1969.

Polycyclic projection. 1927 North American datum 10,000-foot grid based on Wisconsin coordinate system, central zone 1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue.

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.

The difference between 1927 North American Datum and North American Datum of 1983 (NAD 83) for 7.5-minute intersections is given in USGS Bulletin 1875. The NAD 83 is shown by dashed corner ticks.
