

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs

taken 1977. Field checked 1978. Map edited 1982

Hydrography compiled from information furnished by

Minnesota Department of Natural Resources

Projection and 10,000-foot grid ticks: Minnesota coordinate

system, south zone (Lambert conformal conic)

1000-meter Universal Transverse Mercator grid, zone 15

1927 North American Datum

To place on the predicted North American Datum 1983

move the projection lines 7 meters north and

21 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of

the National or State reservations shown on this map

Fine red dashed lines indicate selected fence and field lines

where generally visible on aerial photographs

This information is unchecked
