GEOLOGICAL SURVEY

1986

Produced by the United States Geological Survey

Compiled from USGS 1:24 000-scale topographic maps dated 1959-1983. Planimetry revised from aerial photographs taken 1984 and other source data. Revised information not field checked. Map edited 1986.

Projection and 10 000-meter grid, zone 15, Universal Transverse Mercator. 25 000-foot grid ticks based on Minnesota coordinate system, central zone 1927 North American Datum. To place on the predicted North American Datum 1983, move the projection lines 7 meters north and 22 meters east. There may be private inholdings within the boundaries of the National or State reservations shown on this map.
