Produced by the United States Geological Survey
in cooperation with the Oklahoma Highway Department
Oklahoma Water Resources Board and Oklahoma State Soil Conservation Board

Control by USGS, NOS/NOAA and Oklahoma Highway Department
Compiled from aerial photographs taken 1987
Field checked 1988. Map edited 1991
Projection and 10,000-foot grid ticks: Oklahoma coordinate system, south zone (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid, zone 14
1927 North American Datum
The difference between 1927 North American Datum and North American Datum of 1983 (NAD 83) for 7.5-minute intersections is given in USGS Bulletin 1875. The NAD 83 is shown by dashed corner ticks
There may be private inholdings within the boundaries of the National or State reservations shown on this map
Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
