

Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography from aerial photographs by Kelsh plotter

Aerial photographs taken 1957. Field check 1958

Polyconic projection, 1927 North American datum
10,000-foot grid based on Oklahoma coordinate system, north zone
1000-meter Universal Transverse Mercator grid ticks,
zone 14, shown in blue

Areas covered by dashed light-blue pattern subject
to controlled inundation by Keystone Reservoir. Maximum
elevation 754 feet. Power pool elevation 723 feet
Conservation pool elevation 714.5 feet

To place on the predicted North American Datum 1983,
move the projection lines 3 meters south and
24 meters east as shown by dashed corner ticks
