

Produced by the United States Geological Survey
in cooperation with Kentucky Geological Survey
Compiled by photogrammetric methods from imagery dated 1949
Field checked 1950. Revised from imagery dated 1978
Field checked 1979. Revised from imagery dated 1993.
Survey control current as of 1979. Map dated 1996.
Contours not revised. Contours that conflict with revised
planimetry are dashed.
North American Datum of 1983 (NAD 83). Projection and
blue 1000-meter ticks: Universal Transverse Mercator, zone 16
10 000-foot ticks: Kentucky Coordinate System of 1983 (north zone)
North American Datum of 1927 (NAD 27) is shown by dashed
corner ticks. The values of the shift between NAD 83 and NAD 27
for 7.5-minute intersections are obtainable from National Geodetic
Survey NADCON software.
There may be private inholdings within the boundaries of
the National or State reservations shown on this map.
