

Maped, edited, and published by the Geological Survey in cooperation with the Wisconsin Division of Highways and Wisconsin Geological and Natural History Survey Control by USGS and NGS/NOAA. Topography by photogrammetric methods from aerial photographs taken 1979. Field checked 1979. Map edited 1982. Hydrography compiled from information furnished by Wisconsin Department of Natural Resources. Projection and 10,000-foot grid ticks: Wisconsin coordinate system, north zone (Lambert conformal conic). 1000-meter Universal Transverse Mercator grid, zone 15. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 8 meters north and 14 meters east as shown by dashed corner ticks. There may be private inholdings within the boundaries of the National or State Reservations shown on this map. Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.
