

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial photographs  
taken 1973. Field checked 1975. Map edited 1979  
Projection and 10,000-foot grid ticks: South Dakota coordinate  
system, south zone (Lambert conformal conic)  
1000-meter Universal Transverse Mercator grid, zone 14  
1927 North American datum  
To place on the predicted North American Datum 1983  
move the projection lines 6 meters north and  
31 meters east as shown by dashed corner ticks  
There may be private inholdings within the boundaries of  
the National or State reservations shown on this map  
Fipe red dashed lines indicate selected fence and field lines where  
generally visible on aerial photographs. This information is unchecked

ROAD CLASSIFICATION

|                                    |                                              |
|------------------------------------|----------------------------------------------|
| Primary highway,<br>hard surface   | Light-duty road, hard or<br>improved surface |
| Secondary highway,<br>hard surface | Unimproved road                              |
| Interstate Route                   | U. S. Route                                  |
|                                    | State Route                                  |
